## Monthly Giving Program

### **Inspiring reasons to consider joining us as a *Possibility Partner* monthly donor:**

**1. Your donations will continuously benefit our community members**

When you join YSM's *Possibility Partners*, you'll be actively helping us deliver programs and services to neighbours in need, on an ongoing basis.

**2. Monthly giving is flexible and can help charitable giving fit into any budget**

Giving monthly divides your donation into small monthly payments, enabling you to make a larger yearly contribution. You remain in complete control of your gift – you can change or cancel at any time by simply contacting YSM.

**3. Regular giving supports YSM in financial planning, helping us to progress against priority goals**

With growing ongoing support, more of YSM's operational costs are covered which enables us in doing more to reach our goal of ending chronic poverty in Toronto within one generation. You can play a role in that important work, by joining *Possibility Partners*.

**4. Enjoy the convenience of automatic deductions**

Monthly giving is easy to set up and a convenient way to offer regular support. Decided on an amount, chose your payment method and complete a giving form and your gift will be processed automatically – no need for cheques, envelopes or stamps. Your giving will happen automatically and conveniently.

**5. Lowering fundraising costs, so more of your giving helps neighbours in need**

As a *Possibility Partner*, you'll help us reduce our administrative costs. As your gifts transact automatically, we'll spend less inviting your support by mail or calling. As a monthly donor, you'll also receive an annual consolidated tax receipt, which lowers our costs again. The stable, regular funding provided by monthly donors frees us to spend more time and energy helping our community members, with less time spent seeking financial support.
