INDEPENDENT AUDITORS' REPORT

To the Board of Directors of The Yonge Street Mission

Qualified Opinion

We have audited the combined financial statements of The Yonge Street Mission (the Entity), which comprise:

- the combined statement of financial position as at September 30, 2021
- the combined statement of operations for the year then ended
- the combined statement of changes in fund balances for the year then ended
- the combined statement of cash flows for the year then ended
- and notes to the combined financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, except for the possible effects of the matter described in the "Basis for Qualified Opinion" section of our auditors' report, the accompanying financial statements present fairly, in all material respects, the combined financial position of the Entity as at September 30, 2021 and its combined results of operations and its combined cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many charitable organizations, the Entity derives revenue from contributions, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Entity.

Therefore, we were not able to determine whether any adjustments might be necessary to:

- the current assets reported in the combined statements of financial position as at September 30, 2021 and September 30, 2020
- the contributions revenue and excess (deficiency) of revenues over expenses reported in the combined statements of operations for the years ended September 30, 2021 and September 30, 2020

Page 2

- the fund balances, at the beginning and end of the year reported in the combined statements of changes in fund balances for the years ended September 30, 2021 and September 30, 2020
- the excess of revenues over expenses reported in the combined statements of cash flows for the years ended September 30, 2021 and September 30, 2020

Our opinion on the financial statements for the year ended September 30, 2020 was qualified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditors' Responsibilities for the Audit of the Financial Statements" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter - Basis of Presentation

We draw attention to Note 1 to the financial statements which describes the basis of preparation used in these financial statements and the purpose of the financial statements.

Our opinion is not modified in respect to this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Page 3

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

Page 4

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other
 matters, the planned scope and timing of the audit and significant audit findings,
 including any significant deficiencies in internal control that we identify during our
 audit.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group Entity to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

Notes to Combined Financial Statements

Year ended September 30, 2021

The Yonge Street Mission (the "Entity") is incorporated without share capital under the Corporations Act (Ontario) as a not-for-profit organization and is a registered charity (#119306181 RR0001) under the Income Tax Act (Canada). The Entity is a Christian humanitarian organization, working since 1896 to bring God's peace, dignity and justice to those living in poverty and in need in downtown Toronto. Through programs and services, the Entity intervenes in crises, builds community and acts as a catalyst for change.

1. Basis of presentation:

The combined financial statements have been prepared by management in accordance with Canadian Accounting Standards for Not-For-Profit Organizations in Part III of the Chartered Professional Accountants of Canada Handbook.

The Entity has representation on the Board of Directors of YSM Genesis Place Homes Inc. ("Genesis Place"), a separate non-profit housing corporation that is also incorporated without share capital. These combined financial statements include the accounts of the Entity and Genesis Place. The purpose of the combined financial statements is to meet the reporting requirements for the Entity and Genesis Place.

The accounts of the Entity are maintained in accordance with the principles of fund accounting (restricted fund method):

- (a) General Fund This includes day-to-day operating transactions of the Entity's programs.
- (b) Capital and Housing Fund The Capital and Housing Fund includes the Entity's land, buildings, equipment and the Entity's housing projects.
- (c) Restricted Funds Contributions received for a special purpose are recorded in a separate fund and are disbursed in accordance with the special purpose.

2. Significant accounting policies:

(a) Recognition of revenue:

Unrestricted contributions are recognized as revenue in the General Fund in the year received or receivable. Restricted contributions are recognized as revenue of the related restricted fund when received or receivable. Contributions are recognized in the respective fund if the amount to be received can be reasonably estimated and collection is reasonably assured.

Notes to Combined Financial Statements (continued)

Year ended September 30, 2021

2. Significant accounting policies (continued):

Revenue from specified activities and fundraising activities is recognized in the year in which the activities occur and in the year of the related expenses.

Investment income is recorded as it is earned.

Contributions restricted for the purchase of capital assets are deferred and amortized into revenue on a straight-line basis, at a rate corresponding with the amortization rate for the related capital assets.

(b) Capital assets:

Capital assets are recorded at cost less accumulated amortization. Repairs and maintenance costs are charged to expense. Betterments which extend the life of an asset are capitalized. Capital assets are written down to fair value or replacement cost to reflect partial impairment when conditions indicate that the assets no longer contribute to the Entity's ability to provide goods and services, or that the value of future economic benefits or service potential associated with the long lived assets are less than their carrying amount.

Amortization is provided on a straight-line basis using the following annual rates:

Buildings	5%
Equipment	20%
Computer	33-1/3%

(c) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Entity has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Notes to Combined Financial Statements (continued)

Year ended September 30, 2021

2. Significant accounting policies (continued):

Fair values of investments are determined as follows:

- (i) Fixed income bonds and equities are valued at year-end quoted market prices.
- (ii) Bankers' acceptances, Government of Canada treasury bills and guaranteed investment certificates maturing within a year are stated at fair value, being cost plus accrued interest income.

The Entity does not enter into any derivative financial instruments for hedging or speculative purposes.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Entity determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Entity expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

(d) Donated materials and services:

Donated materials and services that are normally purchased are recorded at fair market value where such can reasonably be determined. Donated goods of \$238,857 (2020 - \$177,092) are included in revenue of the Restricted Funds and also recorded as program-related expenses.

(e) Government assistance:

The Entity has applied for financial assistance under available government incentive programs. Government assistance related to the Entity's current expenses is recognized as revenue during the year.

Notes to Combined Financial Statements (continued)

Year ended September 30, 2021

2. Significant accounting policies (continued):

(f) Foreign currency translation:

Monetary assets are translated at the prevailing rates of exchange at the combined statement of financial position date. Revenue and expenses are translated at the average exchange rates for the year. Realized and unrealized exchange gains and losses are included in the excess (deficiency) of revenue over expenses in the combined statement of operations.

(g) Related entity:

The financial position and results of operations of an entity administered by the Entity's executive is not in the Entity's combined financial statements. Refer to note 11 for disclosure of this entity's information.

(h) Use of estimates:

The preparation of combined financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenue, expenses and changes in fund balances during the year. Actual results could differ from those estimates.

3. Cash, short-term investments and investments:

The following table summarizes cash, short-term investments and investments:

		20	21		202	20
			Fair			Fair
	Cost		value	Cost		value

	\$ 10,324,557	\$ 7,454,709

In January 2005, the YSM Scholarship Fund was started. The restricted investments are held for the YSM Scholarship Fund in perpetuity. Income from these investments is for the purpose of helping provide post-secondary and vocational education for community members otherwise financially unable to participate.

The Entity holds securities that are subject to currency risk, market risk, interest rate risk and cash flow risk. The fixed income securities have maturity dates ranging from November 2021 to December 2027 (2020 - November 2020 to December 2027) and bear interest rates from 0.45% to 6.50% (2020 - 2.23% to 6.50%).

Investment risk management:

Risk management relates to the understanding and active management of risks associated with all areas of the business and the associated operating environment. Investments are primarily exposed to interest rate, market, credit and foreign currency risks. The Entity manages, to the best of its ability, this investment risk by making investments that meet specific investment criteria, which are established and approved by the Board of Directors and are designed to diversify the Entity's investments. A professional investment manager invests and manages the investment portfolio in accordance with the Entity's investment policy statement.

Interest rate risk arises from the possibility that changes in interest rates will affect the value of fixed income securities held by the Entity. The Entity manages this risk by holding various debt instruments and by staggering the terms of the securities held.

Market risk arises as a result of trading in equity securities and fixed income securities. Fluctuations in the market, generally or a company event, specifically expose the Entity to a risk of loss. The Entity mitigates this risk through controls to monitor and limit concentration levels, but is still subject to overall market changes.

Notes to Combined Financial Statements (continued)

Year ended September 30, 2021

3. Cash, short-term investments and investments (continued):

Credit risk arises as a result of the possibility that one party to a financial instrument will fail to discharge an obligation and cause the Entity to incur financial loss. The Entity manages this risk by diversifying its portfolio and by dealing with reputable and creditworthy counterparties.

Foreign currency risk arises from gains and losses due to fluctuations in foreign currency exchange rates on the Entity's foreign equity securities.

4. Capital assets:

			2021	2020
		Accumulated	Net book	Net book
	Cost	amortization	value	value
Entity:				
Land	\$ 3,087,835	\$ -	\$ 3,087,835	\$ 3,087,835
Buildings	19,955,137	8,162,896	11,792,241	12,196,550
Equipment	2,165,062	2,020,781	144,281	192,831
Computer	356,227	165,210	191,017	51,933
	25,564,261	10,348,887	15,215,374	15,529,149
Genesis Place:				
Building	3,640,238	3,640,238	===	-
	\$ 29,204,499	\$ 13,989,125	\$ 15,215,374	\$ 15,529,149

Amortization expense for the year is \$1,052,888 (2020 - \$984,153) and is included in the Capital and Housing Fund, attributed by program.

5. Bank indebtedness:

The Entity has available an operating loan of \$1,000,000 and a capital loan of \$1,000,000 (2020 - operating loan of \$1,000,000 and a capital loan of \$2,000,000), bearing interest at the bank prime rate plus 0.75% (2020 - 0.75%) and due on demand. As at September 30, 2021, \$200,000 of the capital loan was utilized.

Notes to Combined Financial Statements (continued)

Year ended September 30, 2021

5. Bank indebtedness (continued):

The credit facility is secured by a general security agreement representing a first charge on all the Entity's present and after acquired personal property, a collateral mortgage in the amount of \$2,000,000 for each of the real property located at 306 Gerrard Street and 270 Gerrard Street, and assignment of fire insurance. The credit facility is subject to certain financial and non-financial covenants. As at year end, the Entity was in compliance with the covenants.

Interest rate risk arises from the variable interest rate for the credit facility based on the bank prime lending rate plus a margin. As a result, the Entity is exposed to interest rate risk due to fluctuations in the prime rate. There has been no change to the risk exposures from 2020.

6. Long-term debt:

	2021	2020
Mortgage payable, bearing interest at 1.628% payable in monthly blended instalment of \$16,189, maturing on April 1, 2026 Term loan payable, bearing interest at 2.950%,	\$ 857,539	\$ 1,035,594
payable in monthly blended instalment of \$4,711, maturing on September 30, 2025	972,428	1,000,000
	1,829,967	2,035,594
Less current portion	210,014	1,063,166
	\$ 1,619,953	\$ 972,428

The Ministry of Municipal Affairs and Housing is responsible for the mortgage renewal. The mortgage is insured by Canadian Mortgage and Housing Corporation and guaranteed by the Province of Ontario.

The term loan is subject to the same security as disclosed in note 5 and is subject to certain financial and non-financial covenants. As at year end, the Entity was in compliance with the covenants.

Interest of \$16,465 (2020 - \$20,873) relating to the long-term debt has been included in other expenses.

Notes to Combined Financial Statements (continued)

Year ended September 30, 2021

6. Long-term debt (continued):

The minimum scheduled principal repayments are as follows:

2022	\$ 210,014
2023	213,828
2024	217,642
2025	221,678
2026	966,805
	\$ 1,829,967

7. Internally restricted funds:

The Board of Directors has established internally restricted funds for Genesis Place, general reserve, health care reserve, capital fund reserve, estates reserve, critical needs reserve and a staff registered retirement savings plan ("RRSP") loan fund reserve. The internally restricted amounts are not available without approval of the Board of Directors. Transfers are made to comply with internal policies.

10. Government wage subsidies:

The Entity applied for and received government assistance in the form of the Canada Emergency Wage Subsidy ("CEWS"). Total CEWS recorded as wage subsidies in the combined statement of operations amounted to \$406,971 (2020 - \$975,308), of which nil (2020 - \$221,865) is included in accounts receivable. Management believes that it is in compliance with all eligibility criteria under the CEWS program.

11. Three Ten Centre Inc.:

The Three Ten Centre Inc. (the "Company") was incorporated as a non-profit corporation without share capital under the Canada Corporations Act and was continued under the Canada Not-for-profit Corporations Act. The purpose of the Company is to assist people living in poverty through economic development and provision of employment opportunities. The Entity has majority representation on the Board of Directors of the Company.

Notes to Combined Financial Statements (continued)

Year ended September 30, 2021

11. Three Ten Centre Inc. (continued):

The Entity and the Company have some common membership on their Boards of Directors. The Company has not been consolidated in the financial statements. An unaudited financial summary of this entity as at and for the years ended September 30, 2021 and 2020 is as follows:

Financial position:

	 2021	2020
Total assets	\$ 59,116	\$ 121,873
Total liabilities	\$ 59,116	\$ 121,873
Results of operations:		
	2021	2020
Total revenue Total expenses	\$ 553,363 553,363	\$ 598,797 598,797
	\$ (= :	\$ -
Cash flows:		
	2021	2020
Cash from (used) in: Operating activities	\$ 2,031	\$ (57,285)
Increase (decrease) in cash	\$ 2,031	\$ (57,285)

Management fees incurred to the Company for the administration of the Double Take Clothing Store during the year were \$111,389 (2020 - \$370,569). In 2021, \$19,795 (2020 - \$22,033) is payable to the Company and included in accounts payable and accrued liabilities.

Notes to Combined Financial Statements (continued)

Year ended September 30, 2021

12. Registered Retirement Savings Plan:

The Entity sponsors a Group RRSP under which the Entity contributes up to 4% of the employee's salary, subject to a one-year service requirement. The RRSP expense for the year was \$178,898 (2020 - \$157,116).

13. Accounts payable and accrued liabilities:

Included in accounts payable and accrued liabilities as at September 30, 2021 are payroll related remittances owing to the government of \$191,678 (2020 - nil).

14. Contingencies:

During the fiscal 2018 year, the Entity incurred a loss with respect to the collapse of a roof at one of its locations. The Entity is in negotiations to recover some of the loss through insurance. The estimated amount of recovery at year end is not determinable.

15. Financial risks:

The Entity's operations are derived primarily from contributions, government grants and sales and program revenue and are affected by general economic trends. A decline in economic conditions could impact the Entity's operations negatively.

In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. This event resulted in the Canadian and Provincial governments enacting emergency measures to combat the spread of the virus. The entity experienced modifications and/or cancellation of programs and events and received government wage subsidies as disclosed in note 10. The situation is dynamic and the ultimate duration and magnitude of the impact on the economy and the financial effect on operations is not known at this time.
