

Hold a Toy Drive for our Annual Toy Market!

Thank you for partnering with YSM!

All of the toys you collect will go toward YSM's Toy Market, an annual event through which parents and caregivers who access YSM's services throughout the year have the opportunity to choose Christmas gifts for their children.

Last year, we were able to provide toys for 950 children in the community, thanks to generous partners and supports, including individuals and organizations!

Toy Drive FAQs

Q: When and where do we drop off the toys?

A: We'd like to have all toys dropped off at our **Martin Centre**, located at **306 Gerrard St. E.**, by **December 8.**

Q: Are there any toys you don't accept?

A: We cannot accept **used/unboxed** toys. We also can't accept toys that depict violence, such as **toy guns, knives, swords**, etc.

Q: Do the gifts need to be wrapped?

A: Nope! We display all the toys and items for parents and caregivers to choose, so please leave them unwrapped.

Questions? Contact our team and we will be happy to help!
